"We will either find a way or make one."
--Hannibal (247-183 BC), Carthaginian general.

Blown Cover

Vierdrie

This APF may immediately attack an APF with higher stealth than this APF's sensors.

"So there I was, just pullin' sentry duty, and all of a sudden I catch the sneaky bastard almost at the front door!" --Platoon Sgt. Baetcke Kuykendall, 33rd Irregulars

Damaged Neural Shunt

Vierdrie

All maneuvers made by this pilot-equipped APF are considered to be at a value of 1. This screw is persistent.

"The neural shunt is the link between the pilot's instinctive mind and the lethality of an APF's arsenal. Remove the link and the APF is merely an expensive doorstep."

Tooling Up Offense

Vierdrie

Deploy all pod weapons in your hand, paying 1 materiel for each. Pod weapons that cannot be deployed are discarded.

"Bravery does not of itself win battles."
--H.H. Wilson, British naval historian
